

Dell Latitude™ Combination Power Adapter

Power your Dell D-Family notebook virtually anywhere - on the road, in-flight or behind your desk. The Dell Combination Power Adapter is the only all-in-one, AC/DC device that will both power and charge the D-Family notebooks.

Power up and stay productive on the road or in the office with one device: the Dell Combination Power Adapter. This adapter supports all the Latitude D-Family notebooks - D400, D500, D505, D600, D800, X300 - as well as the Inspiron 500M, 600M, 8500, 8600, 300M and Dell Precision™ M60.

Latitude ExpressCharge™

The Dell Combination Power Adapter supports Latitude ExpressCharge™ for charging your battery quickly on most of the Latitude D-Family. However, ExpressCharge is not supported on the Latitude D800, Inspiron 8500 or Dell Precision M60.

Energize Anytime

Plug your Combination Power Adapter into any standard wall outlet, auto outlet or air outlet for long-lasting performance.

Recharge Anywhere

Recharge your notebook on the road, in the air or behind a desk. The Dell Combo Adapter is the only combination AC/DC adapter that will both power your Dell D-Family notebook and charge the battery.

Slim Down

This sensible all-in-one solution can minimize bulk by allowing you to pack one adapter for your notebook, mobile phone and handheld in one slim, zippered case. Interchangeable tips for most mobile phones and handhelds made by Mobility Electronics can be purchased through Dell Software & Peripherals.

PHYSICAL

Height	28.95mm (1.14 inches)
